Re: *Nicholas Kollias v. University of Rochester*
Case No. 6:18-cv-06566-FPG

Dear Judge Payson:

On January 19, 2023, the defendant filed and served its motion for summary judgment. Under the current schedule, Docket Item 45, the plaintiff's response to the defendant's motion for summary judgment is due March 24, 2023. I am planning to take several weeks of family leave before that date. Therefore, the plaintiff has requested, and the defendant has agreed, that good cause exists to modify the briefing schedule as follows:

1. Plaintiff to file his response to the defendant's motion for summary judgment on or before May 12, 2023; and
2. Defendant to file its reply on or before June 2, 2023.

We do not anticipate this extension necessitating adjustment of any other deadlines. If this schedule is acceptable to the Court, we ask that it be So Ordered. We are available at the Court's convenience to answer any questions, and, as always, appreciate the Court's consideration.

Respectfully,
